that happens as new challenges and opportunities arise for them. If you were unable to attend any of the events yesterday, we are hosting our church celebration for graduates next Sunday. You will want to be a part of that.

Tomorrow is the last high school lunch at the church for this school year. We will have a bit smaller group as the seniors will be sleeping in on Monday, but I look forward to a last time together with the high school before they split up for the summer.

Also, I almost forgot... there are still another few weeks of high school sports with track and golf completing their seasons at state tournaments.

So, the opportunity to be involved is here, right now. The chance to step up and lead, to pitch in and serve is upon us. We need your help and look forward to spending time with you in serving God, our community and each other.

*Grace and Peace,
Carl*

It is THAT time of the year. Tom and Pam are submerged in a new kitchen remodel at Silver Maple Camp. They are overseeing various crews, painting, refreshing, reworking... all the things that have to happen to make the kitchen ready for this year's camping season.

Family Camp is just around the corner. Joe Meador is in charge of this effort but there are always lots of folks from here who are heavily involved in camp.

But, between now and then... the St John Jubilee weekend, Memorial Day, and VBS all take place. I know many of you will be involved in class reunions, booths at the Square and all the events of Jubilee. We always have folks return for the weekend since it serves as a homecoming of sorts. I look forward to seeing some familiar faces.

VBS is all but here. We have new people stepping into roles this year and I'm excited to see the new spin that they bring to our Bible school. Tom always directs a great session of VBS and I appreciate his hard work.

Graduation was yesterday for the county schools. Maddy Lippoldt and Kade Kinnamon graduated this year and yesterday was filled with celebration and parties. It is always good to see the transition
